

Care shaped by lived experience

Why Refer to Coral Future Care

Coral Future Care is a NDIS Registered Provider founded by John and Agnes — parents with lived experience navigating the NDIS.

They understand firsthand the importance of: - Reliability and consistency - Clear communication - Person-centred, goal-aligned supports - Trust between providers, participants, and families. This lived experience underpins our approach to service delivery and partnership.

What Sets Us Apart

- Family-led provider with lived experience
- Strong focus on participant dignity, choice, and control
- Responsive and collaborative with Support Coordinators
- Clear documentation and service alignment with NDIS Practice Standards
- Small enough to be flexible, experienced enough to deliver

Our Supports

We deliver NDIS-funded supports tailored to individual plans and outcomes, including:

- Assistance with Personal Activities
- Daily Tasks & Shared Living
- Life Skills Development
- Community Participation & Social Inclusion
- Travel & Transport Support
- Household Tasks
- Life Stage & Transition Supports

Our Commitment to Referrers

We commit to: - Timely responses to referrals - Transparent communication
- Collaborative care planning - Respect for participant choice and existing supports. Our goal is to make referrals simple, ethical, and effective.
